🖐️ Welcome to ICAIC 2025

Join leading academic researchers, industry innovators, and cybersecurity experts from around the globe to explore the latest breakthroughs in Artificial Intelligence and Cybersecurity

◎ Our Mission

- ✓ Promote excellence in AI and cybersecurity research
- ✓ Foster global collaboration and knowledge exchange
- ✓ Empower equity, diversity, and inclusion (EDI)
- ✓ Shape the next generation of innovators

👁 Our Vision

To be a global leader in fostering innovation, collaboration, and knowledge exchange through world-class conferences that advance cutting-edge research and solutions in technology, artificial intelligence, and cybersecurity, driving progress for a sustainable and inclusive future across Canada and the world.

⭐ Why Join ICAIC 2025?

Research Exchange

Connect and share research across MIS, Economics, Business, Engineering, GIS, and more

New Knowledge

Explore cutting-edge research and advancements from leading academics and industry professionals

Idea Sharing

Platform to explore AI, cybersecurity breakthroughs and real-world applications across industries

👥 Conference Committees

Distinguished experts ensuring high standards and global impact

👑 ICAIC Honorary Board

Professor Dr. Ali Eydgahi
Department of College of Engineering & Technology
Eastern Michigan University, United States

Dr. Samson O. Fadiya
Researcher | Professional Training & Coaching | IT/ICT Expert
President, Canadian Tech-Institute for Academic Research, Canada

Professor Dr. Łukasz Tomczyk
Institute of Pedagogy
Jagiellonian University in Cracow, Poland

Professor Dr. Lazar Stošić
Faculty of Informatics and Computer science
University Union—Nikola Tesla, Belgrade, Serbia

Dr. Anju Bajaj
STEM Educator & STEM Advisor
Global Citizenship Award Recipient, Prime Ministers Award for Teaching Excellence and Queen Elizabeth II Platinum Jubilee Medal Recipient, Canada

Professor Dr. Danimir Mandić
Center for Robotics Director
University of Belgrade, Serbia

Professor Dr. Siniša Opić
Faculty of Teacher Education
University of Zagreb, Croatia

🔬 ICAIC Scientific Committee

Professor Francisco David Guillén-Gámez
Department of Didactics and School Organization
Faculty of Education Sciences, Spain

Associate Professor Nazmi Xhomara
Department of Mathematics and Statistics
Luarasi University, Albania

Associate Professor Tonia De Giuseppe
Giustino Fortunato University of Benevento
Italy

Professor Florence Sèdes
Computer Science, IRIT Lab
Université de Toulouse, France

Dr. Matthew Johnson
Ph.D. in AI and Machine Learning
Research Software Engineer Lead at Microsoft, UK

Professor Saiida LAZAAR
Department of Mathematics and Computer Sciences
ENSA-Tangier, AbdelMalek Essaadi University, Morocco

Assistant Professor Benjamin Yankson
Cybersecurity Department
College of Emergency Preparedness, United States

→ *Remaining committee members and keynote speakers on next page*

🔬 ICAIC Scientific Committee (Continued)

Associate Professor Abhijit Kumar Nag
Subhani Department of Computer Information Systems
Texas A&M University-Central Texas, United States

Associate Professor Stavros Shiaeles
Faculty of Technology, School of Computing
Centre for Cybercrime and Economic Crime, United Kingdom

Emeritus Professor Jürgen Pilz
Faculty of Technical Sciences, Department of Statistics
University of Klagenfurt, Austria

Assistant Lecturer Uneneibotejit J. Otokwala (PhD)
Demonstrator in Cybersecurity
Robert Gordon University, Aberdeen, United Kingdom

Assistant Professor Ehsan Toreini
Software Security, Security Architecture, Physical Security and Trustworthy AI
University of Surrey, United Kingdom

Dr. Anju Bajaj
STEM Educator & STEM Advisor
Global Citizenship Award Recipient, Prime Ministers Award for Teaching Excellence and Queen Elizabeth II Platinum Jubilee Medal Recipient, Canada

🎙️ ICAIC Keynote Speakers

Professor Dr. Arif SARI
Snipesec Cyber Security Agency
PhD, CISA, CISM, CDPSE, CCISO
eWPTXv2, eCPTXv2, CPENT, ECIH
Cyprus

Anant Kumar
Technical Leader | AI/ML Big Data
AWS Cloud | Apache Spark | Researcher
Stanford GSB, United States
`AI/ML` `Cloud`

Associate Professor Maurice Dawson
Cyber Security Center Director
Illinois Institute of Technology
Certified CISO, Policy Expert, United States
`CISO` `Policy`

Conference Topics & Audience

Cutting-Edge Research and Advancements in AI and Cybersecurity

Conference Topics

- Artificial Intelligence & Machine Learning
- Cybersecurity Threats & Solutions
- Data Privacy & Protection
- Blockchain & Cryptography
- Internet of Things (IoT) Security
- Cloud Computing & Security
- AI Ethics & Governance

Who Should Attend

- Researchers & Academicians
- Cybersecurity Professionals
- AI & Data Scientists
- Software Engineers
- Government & Defense Experts
- Technology Developers
- Policymakers & Regulators

Multidisciplinary Approach

Topics address both theoretical advancements and real-world applications across Technology, Business, Education, Healthcare, Agriculture, Environmental Science, and Governance, Risk & Compliance (GRC)

Registration Details & Pricing

📅 Important Deadlines

▶ Submission Opens
January 31, 2025

⏹ Submission Deadline
August 31, 2025

🔔 Notification
September 18, 2025

📄 Final Paper
October 10, 2025

👥 Registration Categories

Standard
Researchers & Professionals

Physical	**$340**
Virtual	**$170**

- ✓ Research presentation
- ✓ Conference proceedings
- ✓ AI workshops
- ✓ Networking events
- ✓ Meals included

Student
Graduate & PhD Students

Physical	**$200**
Virtual	**$100**

- ✓ Student workshops
- ✓ Poster presentations
- ✓ Mentoring sessions
- ✓ Startup pitches
- ✓ Meals included

General
Listeners & Attendees

Physical	**$150**
Virtual	**$75**

- ✓ Keynote speeches
- ✓ Interactive demos
- ✓ Industry panels
- ✓ City tech-tour
- ✓ Meals included

📋 Registration Process

1 Pre-enrollment Form
Complete registration form

2 Confirmation Email
Receive approval notification

3 Payment Processing
Complete payment via link

4 Guidelines Download
Access submission guidelines

5 Invitation Letter
For visa processing (if needed)

🎁 Registration Includes
- ✓ All conference sessions
- ✓ Conference proceedings
- ✓ Breakfast & lunch
- ✗ Accommodation not included

🎙 Publication Opportunities

Selected high-quality papers will be considered for publication in prestigious journals indexed by **SCOPUS**, **JMLE**, and **IRE** for an additional fee.

Networking & Event Highlights

Connect, Learn, and Innovate at ICAIC 2025

⭐ Event Highlights

Keynote Addresses

Distinguished experts sharing insights on latest AI and cybersecurity trends

🕐 9:00 AM - 10:30 AM

Workshops & Tutorials

Hands-on sessions for practical skills in AI technologies and cybersecurity

🕐 2:00 PM - 4:00 PM

Tech Exhibition

Cutting-edge products and innovations from leading tech companies

🕐 All Day Access

Panel Discussions

Expert roundtables on emerging challenges and future directions

🕐 11:00 AM - 12:30 PM

Poster Sessions

Research showcases with in-depth discussions and peer feedback

🕐 1:00 PM - 2:00 PM

Parallel Sessions

Specialized tracks covering diverse AI and cybersecurity topics

🕐 Multiple Tracks

🤝 Networking Opportunities

Networking Lounges
Casual spaces for informal discussions and connections

Gala Dinner
Premium dining experience with industry leaders

Optional City Tech-Tour
Explore Winnipeg's tech ecosystem and innovation hubs

Welcome Reception
Opening ceremony with refreshments and introductions

💎 Special Features

Interactive AI Demos
Live demonstrations of cutting-edge AI tools and cybersecurity solutions

Startup Pitch Sessions
Emerging companies presenting innovative solutions in AI and cybersecurity

Expert Mentoring
One-on-one guidance sessions with industry veterans and researchers

Hybrid Experience
Seamless integration between physical and virtual attendees

📅 Don't Miss This Premier Event!

Join 500+ researchers, industry leaders, and innovators from around the globe
